Who should attend?

Infection Preventionists, Nurse Educators, Nursing Administrators and nurses from LTC, Acute Care, Public Health, Behavioral Health and Home Care.

This activity has been submitted to the Connecticut Nurses' Association for approval to award contact hours. The Connecticut Nurses' Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Major Objectives

The Learner will be able to:

Discuss the elements required for a facility risk assessment and team for the Water Management Program.

Identify and define the federal regulatory requirements per S&C letter 16-42- NH- Final Rule.

Define the regulatory requirements regarding antibiotic stewardship.

Understand the etiology & evolution of bacterial infections; identify appropriate antibiotic use based on bacteria identified.

Identify the pathogenesis of influenza and other HAI pneumonias.

Learn benefits of vaccines and other preventive strategies to reduce mortality from pneumonia.

Discuss readiness for and response to outbreaks.
